In this powerful, moving, and often funny memoir, one family shares their journey through the challenges and rewards of raising a child with autism.

When their daughter was diagnosed with autism at the age of three, the author and her husband were devastated. They didn't know what the future held, or how they would cope with the challenges ahead.

But they were determined to give their daughter the best possible life. They learned everything they could about autism, and they worked tirelessly to help her learn and grow.

Along the way, they faced many challenges. They had to deal with misunderstandings from family and friends, and they had to fight for their daughter's rights.

But they also found joy and hope in the smallest of moments. They celebrated their daughter's every accomplishment, and they cherished the special bond they had with her.

This book is an honest and unflinching account of one family's experience with autism. It is a story of love, loss, hope, and triumph. It is a story that will resonate with anyone who has ever loved a child with special needs.

### **What People Are Saying About An Almost Completely Honest Account Of What Happened To Our Family When Our Daughter Was Diagnosed With Autism**
