## Osprey Elite 164

British Napoleonic Infantry Tactics 1792-1815 is the definitive guide to the tactics and organization of the British infantry during the Napoleonic Wars.

The book is divided into three parts. The first part covers the period from 1792 to 1805, and examines the evolution of British infantry tactics during the early years of the war. The second part covers the period from 1805 to 1812, and focuses on the development of the British infantry into the most effective fighting force in Europe. The third part covers the period from 1812 to 1815, and examines the British infantry's role in the final campaigns of the Napoleonic Wars.
