

Don't Squat With Your Spurs On: The Art of Horsemanship

Horsemanship is an art form that takes years of practice to master. It requires a deep understanding of horse behavior, as well as the ability to communicate effectively with these amazing animals. In his book *Don't Squat With Your Spurs On*, author John Lyons shares his decades of experience as a horseman, providing readers with a comprehensive guide to the art of horsemanship.

Don't Squat With Your Spurs On: A Cowboy's Guide to Life by Texas Bix Bender

The book is divided into three parts, each of which covers a different aspect of horsemanship. Part One, "The Foundation," provides a solid foundation in the basics of riding, including how to mount and dismount, how to control your horse's speed and direction, and how to handle common riding problems.

Part Two, "The Training," delves into the more advanced aspects of horsemanship, such as how to train your horse to perform specific tasks, how to correct bad habits, and how to develop a strong bond with your horse.

Part Three, "The Journey," offers advice on how to continue your horsemanship journey, including how to find the right horse for you, how to care for your horse, and how to enjoy a lifetime of riding.

Throughout the book, Lyons provides helpful illustrations and practical advice, making it a valuable resource for both novice and experienced riders. Whether you're just starting out or you're looking to improve your skills, *Don't Squat With Your Spurs On* is a must-read.
