

Exodus and Emancipation: Biblical and African American Slavery

In this groundbreaking work, renowned historian and theologian Dr. James Cone explores the profound connections between the biblical story of Exodus and the experience of African American slavery in the United States.

Cone argues that the Exodus narrative has been a source of inspiration and hope for African Americans throughout their history. The story of a people enslaved, liberated, and led to a promised land resonates deeply with the experiences of African Americans who endured centuries of bondage and oppression.

Exodus and Emancipation: Biblical and African-American Slavery by Dorothy Wickenden

Cone draws parallels between the biblical figures of Moses and Harriet Tubman, both of whom led their people to freedom. He also examines the

ways in which the spirituals and other forms of African American music have been influenced by the Exodus story.

This book is a must-read for anyone interested in the history of slavery, the African American experience, or the power of faith in the face of adversity.
