## About the Book

In 'Fighter Pilot in the Vietnam Air War', author and former fighter pilot Colonel Jack Broughton recounts his harrowing experiences flying combat missions over North Vietnam during the Vietnam War. From his harrowing first encounter with enemy fire to his daring rescue of a downed comrade, Broughton's memoir is a gripping tale of courage, sacrifice, and survival.

Broughton's vivid descriptions of air combat will transport readers into the cockpit of a fighter jet, where they will experience the exhilaration and terror of dogfighting with enemy aircraft. He also provides a rare glimpse into the lives of fighter pilots, both on and off the battlefield, as they grapple with the challenges of war and the bonds of camaraderie that form between them.

'Fighter Pilot in the Vietnam Air War' is a powerful and moving account of one man's experience in one of the most controversial and divisive wars in American history. It is a must-read for anyone interested in military history, the human experience of war, or the indomitable spirit of those who serve.
