This book tells the stories of Toronto's working class families and the homes they lived in, from the early 1800s to the early 1900s. It's a fascinating look at how the city's built environment has shaped the lives of its residents.

The book is based on extensive research, including archival materials, oral histories, and photographs. The authors have created a vivid portrait of the everyday lives of Toronto's working class families. We learn about their struggles and their triumphs, their hopes and their dreams.

The book is divided into four parts. The first part provides an overview of the history of Toronto's working class. The second part looks at the different types of homes that working class families lived in. The third part examines

the social and cultural life of working class communities. The fourth part tells the stories of individual working class families.

This book is a valuable contribution to the history of Toronto and the history of the working class. It's a must-read for anyone who wants to understand the city's past and its present.

## Reviews

"This book is a must-read for anyone who wants to understand the history of Toronto and the history of the working class. It's a fascinating look at how the city's built environment has shaped the lives of its residents."

- The Globe and Mail
