Yiannopoulos begins by debunking the myths that surround traditional masculinity. He argues that the idea that men must be stoic, unemotional, and always in control is a lie. In fact, Yiannopoulos says, these traits can actually be harmful to men. They can lead to depression, anxiety, and even violence. Yiannopoulos also argues that the traditional view of masculinity is homophobic and misogynistic.

In place of traditional masculinity, Yiannopoulos offers a new vision of masculinity that is based on strength, confidence, and authenticity. He

argues that men should be strong, but not in the sense of being physically imposing. Instead, men should be strong in character. They should be able to stand up for themselves and for what they believe in. Men should also be confident, but not in the sense of being arrogant. Instead, men should be confident in their abilities and in who they are. Finally, men should be authentic. They should not try to be someone they are not. They should be true to themselves and to their own values.

Yiannopoulos's *How to Be Straight* is a timely and important book. It is a book that will help millennials to understand what it means to be a man in the 21st century. It is a book that will help millennials to be strong, confident, and authentic.

About the Author

Milo Yiannopoulos is a British writer, speaker, and provocateur. He is the author of several books, including *Dangerous* and *Social Justice Warriors*. Yiannopoulos is a controversial figure, but he is also one of the most popular and influential voices on the right. He has been praised for his wit and his ability to articulate the views of the alt-right.
