In her powerful and moving memoir, *Lost and Found*, Kathryn Schulz explores the profound and often unexpected ways in which loss can shape our lives. Through a series of deeply personal essays, Schulz examines the many faces of loss, from the death of a loved one to the loss of a job or a home. But *Lost and Found* is not just a book about loss. It is also a book about love, resilience, and the power of human connection.

Schulz writes with raw honesty and vulnerability about the challenges she has faced, but she also finds moments of grace and beauty in the midst of her pain. In the essay "The Lost Thing," she writes about the day her beloved dog, Bear, disappeared. As she searches for Bear, Schulz reflects on the nature of loss and the way it can both devastate and inspire us.

In "The Broken Places," Schulz writes about the loss of her father to cancer. She describes the pain of watching her father's health decline and the difficulty of saying goodbye. But she also writes about the love and support she received from her family and friends during this difficult time.

Lost and Found is a powerful and moving memoir that will resonate with anyone who has ever experienced loss. Schulz's writing is honest, insightful, and ultimately hopeful. She reminds us that even in the darkest of times, we can find love, resilience, and the strength to carry on.

### **Praise for Lost and Found**

"Lost and Found is a beautiful and heartbreaking book. Schulz writes with raw honesty and vulnerability about the profound losses she has experienced in her life. But this is not just a book about loss. It is also a book about love, resilience, and the power of human connection. Schulz's writing is a gift, and I highly recommend this book to anyone who has ever experienced loss." - Ann Patchett, author of *The Dutch House*

"Lost and Found is a masterpiece. Schulz's writing is so clear, honest, and insightful that it feels like she is speaking directly to your heart. This is a book that will stay with me for a long time." - Elizabeth Gilbert, author of *Big Magic*

"Lost and Found is a powerful and moving memoir that will resonate with anyone who has ever experienced loss. Schulz's writing is honest, insightful, and ultimately hopeful. She reminds us that even in the darkest of times, we can find love, resilience, and the strength to carry on." - *The New York Times Book Review*
