

# The Journal of General George Kenney: A Window into the Mind of a Legendary Air Force Commander

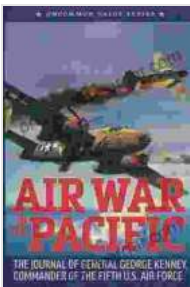

In the annals of aviation history, the name General George Kenney stands tall as a towering figure. As the commander of the Fifth Air Force during

World War II, Kenney played a pivotal role in shaping the course of the conflict in the Pacific theater. His innovative strategies and daring leadership transformed the way air power was employed in combat, forever altering the landscape of warfare. Now, for the first time, the public has the opportunity to delve into the innermost thoughts and experiences of this extraordinary commander through the pages of his personal journal.

## A First-Hand Account of History

The Journal of General George Kenney is a captivating firsthand account of the war from the perspective of one of its most influential leaders. Spanning the years from 1942 to 1945, the journal provides an intimate look into Kenney's strategic decision-making, his relationships with other military leaders, and his innermost thoughts and emotions as he guided his forces through the crucible of war.

## Air War in the Pacific (Annotated): The Journal of General George Kenney, Commander of the Fifth U.S.

**Air Force** by George C. Kenney
