The American Civil War was one of the bloodiest conflicts in American history. Over 600,000 soldiers were killed in the war, and millions more were wounded. The vast majority of these casualties were infantrymen, who fought in close-quarters combat with muskets, bayonets, and artillery.

In the Eastern Theater of the war, the Union and Confederate armies fought some of the most intense and bloody battles of the war. These battles included the Battle of Antietam, the Battle of Gettysburg, and the Battle of the Wilderness. The infantrymen who fought in these battles faced unimaginable horrors, including disease, starvation, and death.

Union Infantryman vs Confederate Infantryman: Eastern Theater 1861-65 Combat is the most comprehensive and engaging book ever written on the infantry combat in the American Civil War. With over 300 pages of detailed

text, maps, and illustrations, this book provides an in-depth look at the weapons, tactics, and experiences of the soldiers who fought in this bloody conflict.

Author Stephen W. Sears is a leading expert on the American Civil War. He has written numerous books on the war, including the Pulitzer Prize-winning book Gettysburg.

In *Union Infantryman vs Confederate Infantryman*, Sears provides a detailed account of the infantry combat in the Eastern Theater of the war. He describes the weapons and tactics used by both sides, and he provides vivid accounts of the battles that these soldiers fought.

Sears also provides a close-up look at the lives of the infantrymen who fought in the war. He describes their experiences in camp, on the march, and in battle. He also provides insights into their motivations and their hopes and fears.

Union Infantryman vs Confederate Infantryman is a must-read for anyone interested in the American Civil War. This book is a comprehensive and engaging account of the infantry combat in the Eastern Theater of the war. It is a valuable resource for historians, students, and general readers alike.
